

Love Where You Live

Dream Homes Made Real

by Heather McManus

In this beautifully illustrated book bursting with real-life stories and gorgeous glossy photographs, Heather McManus guides you through the process from first meetings to the final outcomes of inspired design projects. Featuring a variety of design styles for clients at all different points in their lives, Heather educates and empowers you to Love Where You Live. Experience what it's like to work with a high-end interior designer first-hand through the pages of this fun and enlightening book.

Design NJ Magazine December 2015 issue's, Holiday Gift Guide features McManus's book in their "short-list of books they'll appreciate."

Suburban Trends says "Throughout her 88-page book, McManus tells her clients' stories from the beginning of their redesign project – often when they were overwhelmed and confused – though the moment when they began to love their newly designed homes."

Prudence Kirkpatrick says "Wow! Really enjoyable with lots of gorgeous pictures to show and tell. I especially enjoyed seeing the "Before" photos of the various spaces. This book should be a Welcome-To-Your-New-Home gift for everyone moving in to a new place. Great ideas....."

Heather McManus is an award-winning interior designer, an associate ASID member and Creative Director of Artistry Interiors, LLC. Heather's design philosophy is to love where you live, because your environment affects how you feel. Your home is where you celebrate the holidays with family; bring your new baby home from the hospital; and where precious memories are made. Heather creates easy to live in homes that look elegant and are completely custom-designed with each client in mind.

*"Love where you live,
because your
environment
affects how you feel."*
